

## What You Need to Know For Our Worship Today

We're going to sing, pray, read, preach, and share this morning. Don't worry about where you are at any given point or what comes next in the service. Since God is in charge, we trust that we will be guided to where we need to be.

Feel free to express your praise and worship in whatever way is comfortable to you.

### Happy Mother's Day!

Mom's are pretty important to us, aren't they? Mother's are so important that we set aside a special day each year for them. Mother's Day is so big that it is the third largest greeting card holiday of the year according to Hallmark Cards with an estimated 150 MILLION cards sent out. The home phone rings more often on Mother's Day. And, guess which day is often the busiest day of the year at your local car wash? Yep, Mother's Day. On Mother's Day, husbands and children are more likely than any other day of the year to pamper Mom. Some Mom's get breakfast in bed or taken out to lunch or get IOU's from family members for the chores that they have been asking to get done—all year. Of course, both Mom and Dad are both important family fixtures if we're talking about happy and healthy family dynamics—but today is Mother's Day, so we're going to concentrate on Mom this morning. For most of us, our mom's gave us a great example of faith in action. They made sure we made it to church and to youth group when we were young—insisting on our having a solid foundation on which to build our lives and relationships upon. So, today, as we celebrate the God of our faith, we also want to thank all the Mom's who helped us get a good start in our relationship with Jesus Christ! So, thank you, Mom! We love you!

If you are just checking us out this morning, then know, as our guest, that you are not obligated to put anything in the offering plate as it comes around.

Children of all ages are always welcome to remain in the service, and activity bags are available at the back of the Great Room. We also have a professionally staffed nursery. **Ages 3 yrs.—1st Grade** are invited to leave the Great Room during the musical interlude for Children's Worship. *Children's Worship is not offered during the 10 a.m. service. We encourage all children to attend Sunday School at that time.*

*We pray that you have been blessed by being here.  
May Jesus Christ find a way to make you  
His blessing to someone else in the coming week.*

### Sunday School Classes

There are Sunday School classes for all ages at 10:00 a.m. Age appropriate lessons and crafts are planned for the pre-school and elementary age children as well as thought provoking topics and discussions for youth and adults. Adult classes include:

**Know and Grow...** This class is studying the book of Romans. This letter, written by Paul differs from all of his others. We will discuss how this is different. Pick up your Bible and join the Know and Grow class in **Adult Classroom 1**. We have several copies of various translations of the Bible available.

**Christian Issues...** This class meets in **Adult Classroom 2**. They focus on current issues and how they affect our Christian lives. This week the topic is an *Update on North Korea*.

**Biblical Foundations of Our Faith...** This class is doing a multi-month study series entitled: *The Apostle Paul: The Man, the Missionary, and his Ministries*, that will continue through the summer on the life of the Apostle Paul. This study will meet in **Adult Classroom 3**. Marshall Martin has international travel on May 5, 12, and 19. The class will resume on May 26 when he returns from Argentina and continue throughout the summer.

**Fresh Faith...** How do you handle your most stressful days? Is your first thought to ask God for help? How about on your best days? Do you share your joy with God? Prayer is the focus of this **Fresh Faith** class. We are going to read and discuss the classic, *Too Busy Not to Pray* by Bill Hybels. Books will be provided at the first session. Hope you aren't too busy to join us in the **Intersection**.
