## WE DEPART TO SERVE

## Top Ten Misunderstood Scriptures

Some passages of the Bible are shared so often that they become proverbial—short, pithy truisms that most everybody is somewhat familiar with. Add to these the verses of scripture that we in the church know by heart and recite in order to encourage and admonish one another. Now, what if we've been using some of these passages in the wrong way? What if they don't mean what we think they mean?

Over the next several weeks, Pastors Pat and Tim will be preaching on **The Top Ten Misunderstood Scriptures**. At St. Andrew, we understand that the God of Jesus Christ continues to speak to us today through the Bible. That's why our pastors work so hard to interpret the scriptures faithfully, and why we work so hard to listen to those same scriptures as they are preached, and why we all make it our common goal to apply those truths in our daily lives.

Misunderstanding a portion of God's word then can lead to serious side effects for those of us committed to following Jesus.

Join us this summer for a new perspective on some of the best known and misapplied passages from the Bible!

## Sunday School Classes

There are Sunday School classes for all ages at **10:00 a.m.** Age appropriate lessons and crafts are planned for the pre-school and elementary age children as well as thought provoking topics and discussions for youth and adults. Adult classes are located in the Education wing and include:

**Know and Grow...** This class is studying the book of Romans. This letter, written by Paul differs from all of his others. We will discuss how this is different. Pick up your Bible and join the Know and Grow class in **Adult Classroom 1**. We have several copies of various translations of the Bible available.

**Christian Issues...** This class meets in **Adult Classroom 2**. They focus on current issues and how they affect our Christian lives. This week the topic is *Electronic Waste*. Obsolete and unwanted electronic devices make up an ever-increasing amount of the world's waste. What economic, environmental, and health challenges does electronic waste pose? How can Christians address these pressing problems?

**Biblical Foundations of Our Faith...** This class is doing a multi-month study series entitled: *The Apostle Paul: The Man, the Missionary, and his Ministries*, that will continue through the summer on the life of the Apostle Paul. This study will meet in **Adult Classroom 3** and will continue throughout the summer.
